The Ultimate
Driving Machine®

WE JUST MADE YOUR DRIVE A LITTLE MORE RELAXING.

INTRODUCING THE CERTIFIED PRE-OWNED (CPO) WRAP,
THE ENHANCED COVERAGE FOR YOUR BMW CPO VEHICLE.

When you purchase a Certified Pre-Owned BMW, you look forward to the drive of your life – mile after mile, and year after year.

And to make sure those miles are as worry-free as possible, BMW Financial Services offers the comfort and security of BMW CPO Wrap to active

CPO vehicles which gives you the option to add extra time, mileage or coverage to your Certified Pre-Owned Protection Plan.

And it helps protect the performance and resale value of your BMW by ensuring that any covered repairs are performed at an authorized BMW repair facility using only original BMW parts.

And there are three levels of protection, depending on your vehicle and your driving needs:

BMW CPO WRAP GOLD 7/100K

– CPO Wrap Gold coverage begins the day your CPO protection ends, extending coverage up to 7 years or 100,000 miles from the original vehicle in-service date (whichever comes first).

BMW CPO WRAP PLATINUM 6/100K

– Enhances the CPO Protection Plan by giving you the option to add extra time, mileage or coverage.

BMW CPO WRAP PLATINUM 7/100K

– Includes all CPO Wrap Platinum coverage (including audio, entertainment and navigation systems).
– Extends coverage up to 7 years or 100,000 miles from the original vehicle in-service date (whichever comes first).

Important things to know about CPO Wraps.

- Programs are available to extend and or enhance your CPO Program Coverage.
- Repairs are completed at an Authorized BMW Repair facility using only Original BMW Parts.
- Includes 24 Hour Roadside Assistance for the life of the CPO Protection Plan.
- Nationwide coverage.

Learn more today.

For more information, please contact your BMW center. And see just how relaxing 100,000 miles can be.

YOUR COMPREHENSIVE GUIDE TO BMW CPO WRAP

Compare the benefits below to determine which plan is right for you.

CPO WRAP GOLD

ENGINE & FUEL SYSTEM:

Cylinder head(s), cylinder block and cylinder head gasket(s). All internally lubricated parts including: pistons, piston rings and pins; crankshaft, main and connecting rod bearings; connecting rods; camshaft and bearings; timing chains and/or belts; sprockets; rocker arms and shafts; valves, valve springs, upper spring plates (retainers); valve collets, guides, and seals; hydraulic valve clearance compensators (lifters); oil pump assembly. Dipstick assembly; vibration damper; flywheel/ring gear; upper and lower timing case covers and gaskets; intake manifold and gasket; exhaust manifolds, engine mounts; valve cover(s) and gasket(s); oil pan(s) and gasket(s). Front and rear radial oil seals. (Fuel System): Fuel injectors; fuel pumps; metal and plastic lines and fittings; fuel tank; fuel injection and airflow sensors.

COOLING SYSTEM:

Water pump; radiator; fan clutch and fan surround; idler pulley/belt tensioner; coolant recovery tank; additional fan motor.

TRANSMISSION:

Transmission case, torque converter, all internally lubricated parts contained within the transmission case including: all sprockets, shafts, bearings, bushings, drums, pumps, and valves. Transmission oil seals and gaskets. Transmission mount; flywheel; drive plate for torque converter. Coverage is not afforded for standard transmission clutch assemblies, which are subject to wear and tear.

FINAL DRIVE ASSEMBLY:

Final drive housing; all internally lubricated parts contained within the final drive housing including: All sprockets, bearings and output shafts; input and output flange seals and gaskets; rear housing cover gasket; CV joints and flexible gaiters (CV joint boots); universal joints; front and rear hub assembly, hub bearings; propeller shafts.

SUSPENSION SYSTEMS:

(Front): Control arms, thrust struts, and bushings; ball joints; wheel bearings; coil springs; stabilizer bar, links and bushings; MacPherson struts (housing only). (Rear): Control arms, trailing arms, and lateral links; shafts and bushings; wheel bearings; coil springs; hydraulic leveling system; height sensor; pump; stabilizer bar, supports and bushings; MacPherson struts (housing only).

STEERING:

Steering box housing; all internally lubricated parts within the steering box; rack-and-pinion assembly; power steering pump; steering shaft and couplings; guide/idler arm; tie rod ends; pitman arm; center tie rod; cooler and lines.

BRAKES & ABS:

Master cylinder; brake booster assembly; wheel cylinders; brake calipers; hydraulic lines and fittings; brake pedal assembly; parking brake assembly. (ABS): hydraulic pump assembly; ABS control module; wheel speed sensors; relays.

ELECTRICAL:

Alternator/generator; voltage regulator; starter motor, starter solenoid; windshield wiper motor; rear window wiper motor; power window motors; power seat drives; convertible top storage lid and top drive motors; manually and electrically operated switches; front and rear main wiring harnesses; on-board computer; engine control module; power door and central locking systems; remote electronic entrance system; cruise control switch, actuator and control module; sunroof motor and gear; turn signal/headlight dimmer switch; electronic mirror motors and switches; windshield wiper delay switch; horn contacts, brush, contact rings assembly and horns; rear window defogger; all gauges; instrument and service indicator circuit boards; LCD display modules and coding plugs; control modules.

HEATING/AIR CONDITIONING SYSTEM:

Condenser; compressor, evaporator; receiver-drier; idler pulley/belt tensioner; compressor clutch and pulley; heating and A/C control panel and control module; expansion valve; stepper motors; auxiliary water pump; heater and air conditioner blower; heater control valve.

INTERIOR AND EXTERIOR:

Trunk and hood gas pressure struts; front seat tracks/rails; shift lever; bumper impact struts.

CPO WRAP PLATINUM

Platinum offers all of the features of Gold plus these additional benefits:

RADIO, CD PLAYER/CHANGER, ENTERTAINMENT SYSTEM, NAVIGATION SYSTEM AND ANY COMPONENTS OF THOSE SYSTEMS.

Obligor: BMW of North America, LLC, 300 Chestnut Ridge Road, Woodcliff Lake, NJ 07677-7731, 800-831-1117. In Florida, the obligor is: BMW Extended Service Corporation, 300 Chestnut Ridge Road, Woodcliff Lake, NJ 07677-7731, 800-831-1117. FL License Number: 65501. Special Note: Coverage under this program is limited to defects in material or workmanship only. Wear and tear is the responsibility of the vehicle owner. This brochure is a summary of some of the benefits available with BMW Extended Vehicle Protection and should not be relied upon when purchasing coverage. Please refer to the BMW Extended Vehicle Protection Contract Limited Agreement Application for specific coverage details. Changes may have been made to the BMW Extended Vehicle Protection program since the printing of this brochure. All transactions related to the BMW Extended Vehicle Protection program are governed solely by the provisions of the program agreement. See your actual agreement for details of coverage, as well as terms, conditions and costs. B109FL.
